HELPFUL MEASURING TIPS

- 3 tsps = 1 tbsp
- 2 tbsps = 1 oz
- 8 oz = 1 cup
- 16 oz = 2 cups = 1 pt
- 32 oz = 2 pt = 1 qt
- 128 oz = 4 qt = 1 gal

GET MORE FROM YOUR "CIDES"

**Use Spreader Sticker for increased water absorption, sticking and residual affect of Insecticides, Fungicides, Herbicides, Miticides ...oh... and Liquid Fertilizer too!

Combine 2 tsps of Spreader Sticker with products marked**

PLEASE READ AND FOLLOW LABEL DIRECTIONS.

This guide is only a quick reference. These dilution rates are the most common.
